

KEW MEDIA GROUP TELLS *THE RADICAL STORY OF PATTY HEARST*

Toronto, April 24, 2018 – KEW MEDIA GROUP’s (“KEW MEDIA”, “KEW” or the “Company”) (TSX: KEW and KEW.WT) distribution arm announced it has signed up CNN’s Original Series *The Radical Story of Patty Hearst* (6 x one hour) for international distribution. The series was selected by *Broadcast* magazine as one of the top factual series launched at the 2018 MIPTV market in Cannes, France. This CNN ratings success follows the transformation of Patty Hearst from heiress to terrorist in a saga of privilege, celebrity, politics, media, revolution, and violence.

Over 40 years later, newly discovered evidence, archival footage, cinematic recreations and exclusive first-hand accounts shed light on one of the biggest and most bizarre stories in modern American history.

Including unprecedented access to key figures in the story including Bill Harris, the man that abducted Hearst from her apartment in 1974, and Steven Weed, the fiancé who witnessed it all, the series weaves through her upbringing, kidnapping, transformation into a terrorist, subsequent arrest and trial, and her transition back into American royalty. A Bat Bridge Entertainment production for CNN.

Forward-Looking Statements

This news release may include forward-looking statements. All such statements constitute forward looking information within the meaning of securities law and are made pursuant to the “safe harbour” provisions of applicable securities laws. Forward-looking statements may include, but are not limited to, statements about anticipated future events or results including comments with respect to the Company’s objectives and priorities for 2018 and beyond, and strategies or further actions with respect to the Company, its business operations, financial performance and condition. Forward-looking statements are statements that are predictive in nature, depend upon or refer to future events or conditions and are identified by words such as “will”, “expects”, “anticipates”, “intends”, “plans”, “believes”, “estimates” or similar expressions concerning matters that are not historical facts. Such statements are based on current expectations of the Company’s management and inherently involve numerous risks and uncertainties, known and unknown, including economic factors.
